

Legrand
adorne® Touch™ Switch
Part No. ASTH1532W2

Perfect for anywhere you'd like to upgrade a standard switch with sleek, intuitive touchscreen technology. The stylishly minimalist adorne Touch Switch functions just like your smartphone's touch screen - simply touch your finger to turn lights on and off. Use this device on its own to control a light or fixture from a single location, or pair with a second switch or dimmer to control a single light source from two locations. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
