

## 824/US/BI HOOP

design adolini+simonini associati, 2013

The Hoop table lamp was designed by Adolini and Simonini Associati in 2013. This contemporary design provides direct and diffused illumination from a white opal methacrylate diffuser. The molded structure is available in either **black** or **white**. The ON-OFF touch switch on the reflector controls the LED light source. Electronic driver located on the plug.
