GLUTEN FREE STATEMENT

This is to certify that to the best of our knowledge, that all our hemp products (hulled hemp nut, hemp protein, hemp oil, and raw hemp seed) do not contain any of the priority food allergens identified by Health Canada. Due to agricultural practices, our products may contain gluten below the specified standard of <20 ppm at a detection level of 5 ppm.

Please contact <u>cs@blueskyhempventures.com</u> or 306-986-3934 if you have any questions or would like to receive additional information.

Best regards,

Brad Liwiski QA Manager
