Touching Lives, Transforming Communities!

About SiloamXperience Outreach Limited (SOL)

SOL is a volunteer-driven organisation committed to building a community of people who desire to make a difference through faith and good works. SOL seeks to create sustainable change in the lives of underprivileged communities through quality education and practical help.

What Is 'Sponsor-a-Family'?

It is a temporary relief scheme to help families tide through challenging times. It provides cash assistance to eligible families to meet their basic needs. The duration of each sponsorship term is between 3 months to a maximum of 6 months. The sponsorship term may be renewed if the family requires extended help. Cash assistance is capped at 1/3 of the household's monthly necessary expenditure or USD 100, whichever is lower, for a maximum support period of 3 years per family. The amount of support will depend on the family circumstances, assessed by a Cambodian social worker and the 'Sponsor-a-Family' Committee.

Who Can Benefit From 'Sponsor-a-Family'?

Families who are going through unfortunate circumstances such as and not limited to:

- Accidents or injuries
- Illness or death
- Unemployment or loss of income
- Little or no family support to meet growing needs of school-going children

Why 'Sponsor-a-Family'?

In many impoverished communities in Cambodia, young children have to give up their studies to support their families financially. We want to adopt a holistic approach to keep these children in school. By creating an ecosystem for parents to thrive, we want to see children completing their education and breaking free from the vicious cycle of poverty.

How Can You Support?

You can make a difference by making a one-time contribution or a monthly contribution of SGD 140 (app. USD 100) to support a family in need every month.

All donations received are pooled together to fund 'Sponsor-a-Family'. 90% of all sponsorship funds received go towards supporting needy families under the scheme. The remaining 10% is for administrative purposes, including the salary of a part-time Cambodian social worker.

As we conduct most of our charitable works overseas, we do not have the Institution of Public Character (IPC) status by the Singapore government to issue tax-deductible receipts.
