@bescene
BLUNT TEXTURED BOB

In this exclusive BTCU online class, @bescene covered:

- How @bescene cuts his signature blunt textured bob and lob on dry hair.
- Why and how @bescene works with ARC™ Scissors texturizing shears to achieve this look.
- Dry-cutting techniques for creating movement and texture while maintaining a blunt perimeter.
- How to establish the perimeter first, creating a visual map for the rest of the haircut.
- Weight removal tips and where you should cut to prevent the unwanted bell-shaped bob.
- How to remove weight from the nape section with a soft undercut.
