HOW TO TEXTURIZE
& STYLE A BOB

In this exclusive BTCU online class, @chrisjones_hair and @buddywporter covered:

- Two ways to approach a bob haircut using traditional shears and texturizing shears.
- How to create shadow layers to add movement and volume to the cut.
- Tips and tricks for texturizing bobs like a pro.
- Dos and don'ts of cutting the perfect perimeter on a soft blunt bob.
- How to create a strong perimeter while maintaining internal detail.
- Tips and techniques for styling undone waves on short hair.
- How to design and execute the cut to enhance color placement from BTC Visual Editor @shmeggssandbaconn.
