BTC  UNIVERSITY

CERTIFICATE OF COMPLETION

@silviasalerno160
PIVOTAL LAYERING HAIRCUT

In this exclusive BTC-U online class, @silviasalerno160 covered:

- Silvia's fundamental cutting technique to create shape and balance in every haircut
- Why and when to use pivotal layering to remove weight when cutting
- Sectioning strategies for cutting the face frame, crown and occipital bone
- How to control and manipulate pivotal layering for every client's texture and density
- Understanding the synergy between cut and color to create a complete look
- Classic Sassoon finishing details to enhance the client's best features
