AIR PURIFIER

IMUNSEN
VOVO AIR PURIFIER

M - 001W

Air Purifier for Large Room (640sq.ft, 59.5m²)

- Winner of IF Design Award
- The world's first Cypress Wood Filter (Patent Number 10-2019-0024971 / 10-2019-0026030)
- LED Air quality indicator and filter usage indicator
- Cyclone mode with dual-motor fans
- H13 True HEPA Filter to remove 99.97% of particles
- Smart WiFi with APP control (option)
- Diffuser function with 100% pure cypress oil (option)
- Auto mode with air quality sensor adjusting the fan speed
- Auto sleep mode with light sensor that detects the brightness of the environment

Function Guide

- 10.2 x 10.2 x 28.3 inches (260mm x 260mm x 720mm)
- 19lb (8kg) Filter included

M - 002W

Air Purifier for Small Room (178sq.ft, 16.5m²)

- Winner of IF Design Award
- Natural Nordic design with cypress wood filter
- The world's first Cypress Wood Filter
- H13 True HEPA Filter to remove 99.97% of particles
- 4 Stage Filtration with H13 True HEPA filter
- Easy control with 2 levels of wind speed
- Auto mode, Auto sleep mode, and Cyclone mode available
- Diffuser function with 100% pure cypress oil (option)

Function Guide

- 7.9 x 7.9 x 9.4 inches (200mm x 200mm x 240mm)
- 2.2lb (1kg) Filter included

M - 003W

Air Purifier for Vehicles

- Natural Nordic design with cypress wood filter
- The world's first Cypress Wood Filter
- H13 True HEPA Filter to remove 99.97% of particles
- Easy Control with 3 levels of wind speed
- Diffuser function with 100% pure cypress oil (Option)

Function Guide

- 2.6 x 2.6 x 7.0 inches (68mm x 68mm x 172mm)
- 0.6lb (300g) Filter included
