Introduction

Welcome to the Hands 2019 Craft Class Timetable. We hope there is something of interest in this year's selection of craft classes and workshops. We want you to relax, learn and enjoy your classes.

All classes are held in our own classroom situated at the front of Hands Craft Shop (entry is through the shop).

- You are only confirmed a place in the class when full payment has been received by Hands.
- Please book early as some classes fill quickly.
- Class numbers are limited and a minimum of four students is required for a class to run.
- If class participants do not reach the minimum number before the class, the class may be cancelled so please book in advance.
- Important: Please be aware of our refund/transfer policy when you book.
- You will receive a class requirement sheet as confirmation of your booking. Please read your requirement sheet carefully. We ask that you purchase the relevant materials from Hands before the day of your class.
- The class fee does not include materials unless stated.

Please let us know if you have suggestions for classes - we always welcome new ideas!
