Unique Design

Meta Surface's eye-catching sloping silhouette end cap adds an elegant finishing touch.

A Step Forward In Ambient Interior Illumination

The Meta Surface's sleek profile is designed to blend into clean, minimalist architectural spaces featuring simple yet powerful lines.

It enables designers to mount the luminaire on walls and ceilings to enhance architectural styling or add a unique flair to the interior design of a space.

With three options built in-house, Meta Surface makes it easy to get the light where you need it with offering new opportunities to capture the beauty and benefits of true lighting.

Surface Mount

It is attractive and easy to install with simple screws or threaded studs which pass through the housing to fasten the luminaire in place. Ideal for locations with low ceilings or where fire ratings prevent recessed luminaires.

Wall Mount

It is available in a surface reverted design, with a sleek low-profile sensibility optimal for architectural lighting applications without any wall mount bracket, allows for easy installation, ideal for corridors, stairwells, and more.
