

Fill the Stocking

An entertaining game all the family will enjoy.

YOU WILL NEED

- Christmas stockings
- Spoons
- A large container
- Christmas treats

HOW TO PLAY

Step 1

Fill a large container with christmas treats such as baubles, sweets and crackers.

Step 2

Divide into teams. Each team gets a Christmas stocking and a spoon.

Step 3

Place the stockings at one end of the room and the container at the other end of the room.

Step 4

One child from each team races to scoop up an object from the container and carry it back to drop it in the stocking. The spoon is given to the next player. If the christmas treat falls off the spoon the player must go back to the line and begin again. When the time is up the team with the highest number of items wins.
