

Jingle Bells

The perfect party game to play with the family during the festive season.

YOU WILL NEED

- Chair
- Bells
- Blindfold
- Santa hat

HOW TO PLAY

Step 1

Place the bell under the chair and gather all players into a circle around the chair.

Step 2

Choose someone to be Santa. Place the blindfold and Santa hat on them. Santa sits on the chair.

Step 3

Choose someone as the thief. The thief then tries to quietly steal the bells from under the chair.

Step 4

If Santa hears the bells jingle, they try to point at the thief before they return to their place. If the thief succeeds a new thief is chosen while Santa remains on the chair. If the thief is identified, they become the new Santa while the previous Santa returns to the circle.
