

ZOMBIE SAYS

A Halloween themed variation of "Simon Says" the kids are sure to enjoy.

HOW TO PLAY

Step 1

Arrange the children in a circle.

Step 2

Designate one child as the "Zombie". The Zombie role is to give commands to their followers.

The command begins with "Zombie says....".

e.g "Zombie says, stand on one leg".

Step 3

The children only obey when the command begins with "Zombie says...". If they follow a command that doesn't begin with "Zombie says..." then they are out of the game.

Step 4

Keep playing until there is only one child remaining, who is the winner.
