

2021 COLLECTION

THE DEFINITIVE GRILLING EXPERIENCE

WHO WE ARE

We are a family owned and operated business located in beautiful Huntington Beach, California. We pride ourselves in using only the best materials, and our commitment to quality is reflected in the craftsmanship of the entire American Made Grills line. With over 20 years of leadership in branding and manufacturing, our core focus is to provide exceptional customer service backed by the best warranty in the industry.

American Made Grills was born out of a passion to craft inspired products that tell a story and animate the backyard, and we stand by our promise to create immersive, luxury cooking experiences to share with friends and family.

GRILLS

HYBRID GRILLS

Our revolutionary, handcrafted series that allows you to cook with gas, wood, charcoal, lump coal, and more.

- Muscle Grill
- Encore Grill

GAS GRILLS

A classic, high-performance grill series for professional chefs and everyday cooks alike.

- Estate Grill

HYBRID GRILLS

The Muscle and Encore are two handcrafted, hybrid grill series, both available in built-in or freestanding formats with a variety of storage accessories and matching power burners available.

GAS

LUMP COAL

WOOD

CHARCOAL

BUILT-IN ———

MUSCLE GRILL

Crafted entirely in the USA, the Muscle Grill is a luxury grill series that affords the convenience and consistency of gas and the bold, smokey flavors of solid fuels like wood, charcoal, and lump coal. With a bold design inspired by classic American muscle cars, this grill is ready to go the distance. Use gas to ignite solid fuels in minutes using our patented fuel tray system, or cook with gas alone. Available in 36" or 54", the built-in model is your opportunity to build your dream, custom outdoor kitchen island. Whether it's tomahawk steaks, rotisserie chicken, grilled veggies, or all of it, get ready for an unforgettable backyard experience—and be sure to invite some friends.

BUILT-IN ———

ENCORE GRILL

Made 100% in the USA, the Encore Grill is just that: an encore to the classic Muscle Grill that has captured the attention of the cooking world. Its sleek, modern design offers an aesthetic alternative to the Muscle Grill, while still promising all the unique benefits: a hybrid series with the convenience and consistency of gas and the bold, smokey flavors of solid fuels like wood, charcoal, and lump coal. Use gas to ignite solid fuels in minutes using our patented fuel tray system, or cook with gas alone. Available in both 36" and 54", the built-in model will complete your custom, modern outdoor kitchen design. Cook lobster tails, rib-eyes, an array of veggies—everything. This built-in barbecue experience is sure to get the neighbors knocking.

SIDE & POWER BURNERS

American Made Grills' Side Burners and Power Burners are beautiful additions to your built-in outdoor kitchen. Side Burners are great for finish sauces and added cooking surface for use of pots, pans, and skillets, while the Power Burners offer a larger surface area and higher BTU's, allowing for woks, shrimp or fish boils, and more.
