

Model: BLZ-4LTE2-LP/NG

Features:

- Blaze introduces an affordable commercial style grill that was designed with your outdoor BBQ challenges in mind
- 4 commercial quality 304 cast stainless steel burners
- 14,000 BTU's of cooking power per burner
- Heavy 9mm triangular stainless steel cooking rods create the ideal cooking surface and product designer sear marks
- Push and turn flame-thrower primary ignition, backup flash tube secondary ignition and cross-tubes ensure a steady, reliable flame with every start
- The stainless steel heat zone separators allow for different cooking zones across the grilling surface. This creates separate zones that can be used for different styles of cooking
- Full-width flame stabilizing grids cover the entire grill surface area to improve flavor, minimize flare-ups, and reduce cold spots
- Full-width drip tray for quick clean up
- Interior grill lights along with the signature red LED knob illumination system help you grill and entertain at night.
- The 304 stainless steel grill hood is double-lined to protect the outer layer from heat discoloration, keeping your Blaze grill looking shiny and new

**Blaze Grills offers an impressive
Lifetime Warranty**
