TOGETHER WE ACHIEVE MORE

Automated benchtop slide stainer. The Definitive DCM is variable slide stainer allowing you to stain 1 up to 4 slides at once for consistent, reliable results. Able to provide premium results in stain times as quick as 1 minute.

VELU-SOL

SERVICES WE PROVIDE

- Meets requirements and guidelines of FDA
- Multiple stain pack options (Rapid Stain, Wright-Giemsa, May-Grunwald, Dip Stain)
- Designed and validated by clinical and veterinary pathologists

Small Footprint

12" DEPTH X 11" LENGHT X 14" TALL Benchtop space is valuable, optimize it.

Maintanence & Warrenty

Requires little maintanence due to self cleansing step at the end of each cycle. 1 year warrenty.

WHY **CHOOSE US**

The Definitive DCM Slide Stainer was built for the digital age. A low cost alternative to manual methods, the DCM proves an excellent solution for small and mid-size laboratories. The DCM also serves as an excellent backup to larger automated stain systems.
