MICHAEL MCCLUSKEY

"I was a musician for over 15 years prior to taking up photography. What started out as a short term project has turned into a career."

A lot of my photos are captured from the side of the road somewhere in northern Michigan. Usually only 2-3 hours from where I live. You'd be surprised at the things you find when you go looking."

- Michael McCluskey, 2020

Michael is a fine art, editorial and commercial photographer. He grew up in West Olive, MI (The American Midwest) which is a rural area on the west side of the state and currently lives in Grand Rapids, USA. Michael is a consummate storyteller with a cinematic eye. The images in this publication are scenes to stories that only you the viewer can complete. One day Michael plans to make feature films but for now these stills are yours to plot the beginning, middle and end.

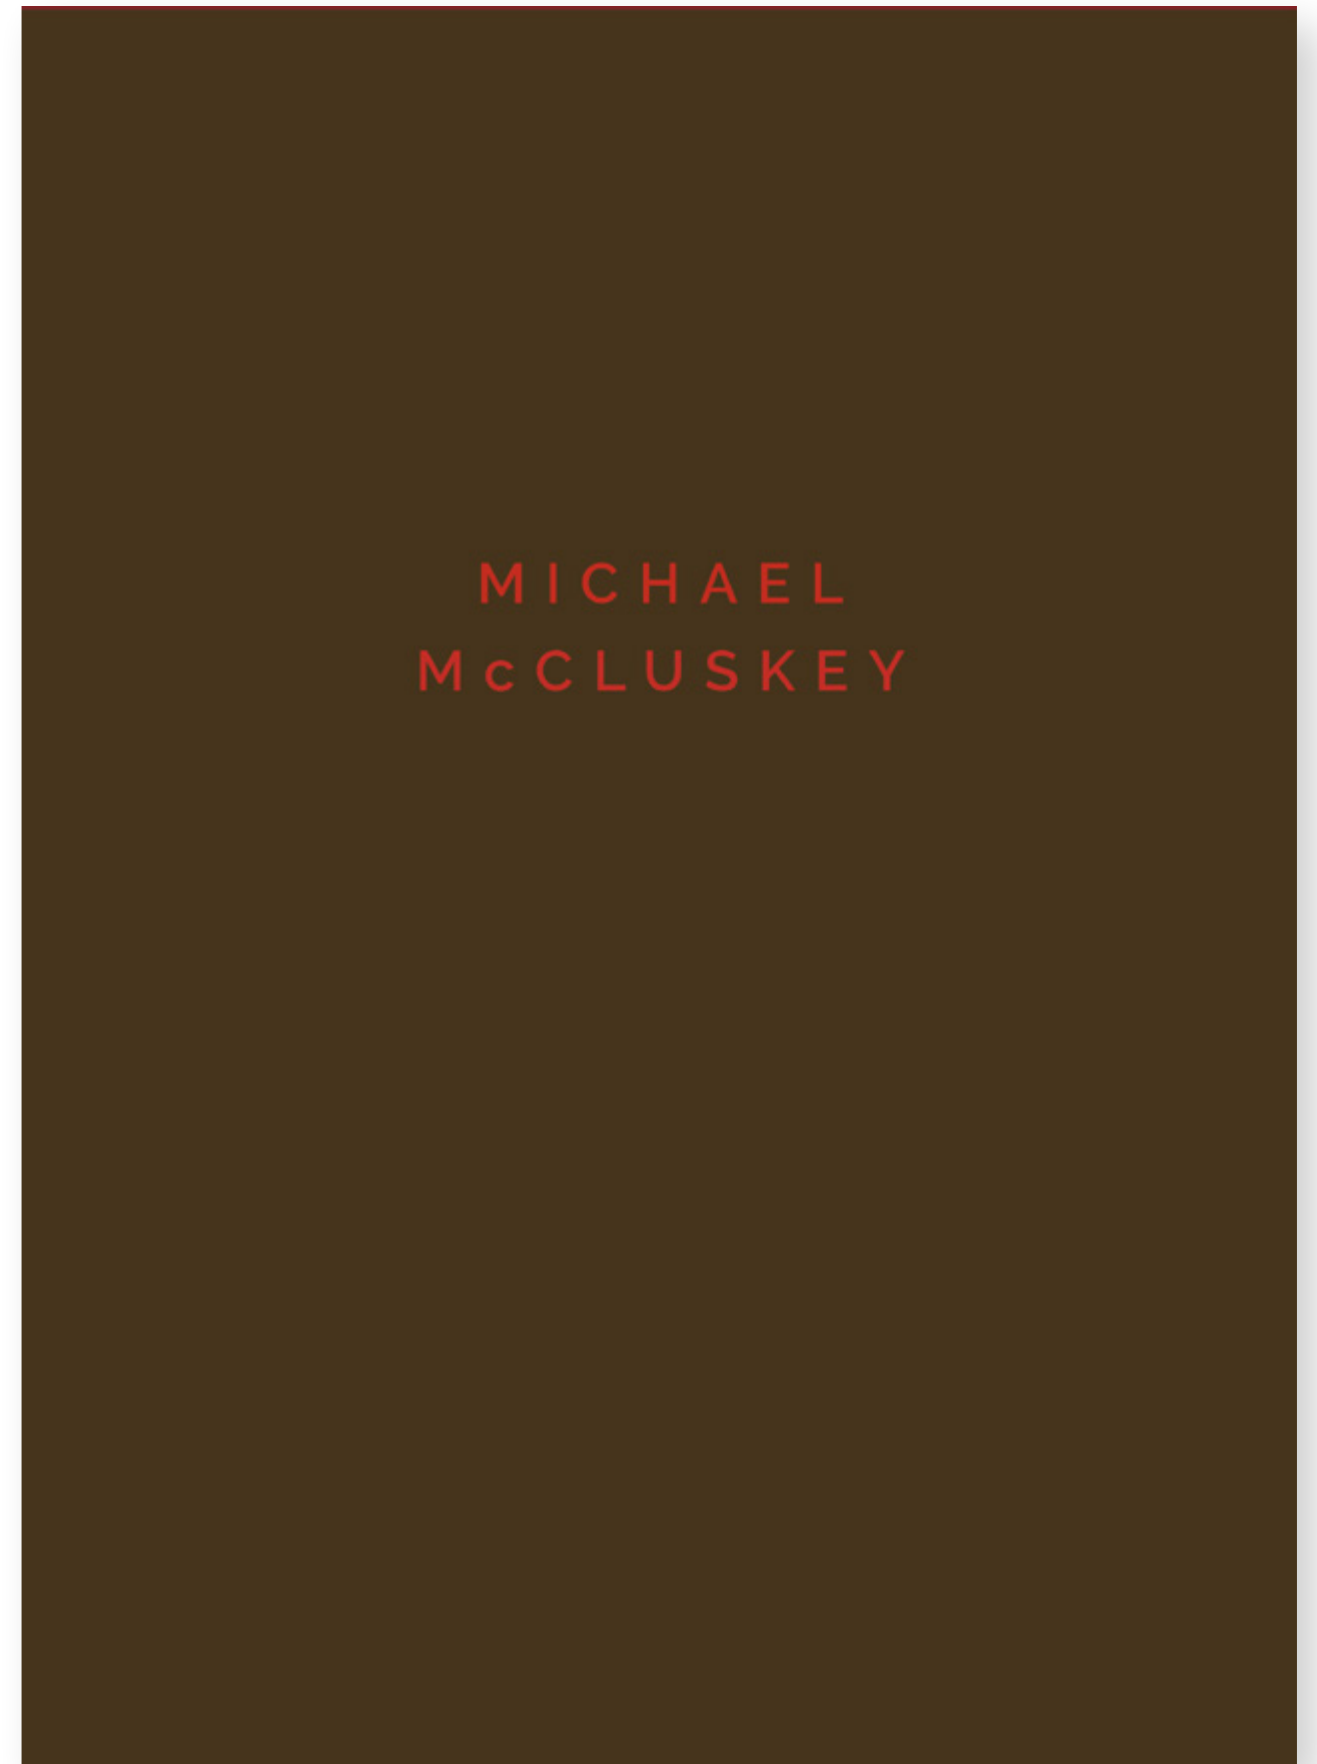

This is the third installment in the bi-monthly collaboration between Setanta Books and Open Doors.
