Change Mode : Bluetooth, FM, USB, TF, AUX

② "+" :

Volume Up / Next Track

③ "-" :

Volume Down / Previous Track

④ "▶||" :

Play / Pause, Answer / Hang Up Phone Call, TWS Function

FUNCTIONS

Bluetooth connection

When you turn on the Wireless Mini Soundbar, it will be in Bluetooth mode at first. Open Bluetooth in your device and search for "Mobilla MRock 106" to connect. Once the speaker is paired to your device, it will connect to your device automatically next time if you do not delete the Bluetooth memory on your device.

Music Play

- Insert USB drive or micro SD card with MP3 files to enjoy music
- Use the 3.5mm audio cable to connect your phone to the wireless mini soundbar to play music
- Short press "+" to play the next song. Short press "-" to play the previous song
- Long press "+" to increase the volume. Long press "-" to reduce the volume

Radio Mode

Insert the charging cable into the charging slot to act as an external antenna. Press the "M" button to enter FM mode. Click the "▶||" button to search channels automatically. After the search is completed, press +/- to switch the radio.

TWS Function

Turn on two wireless mini-soundbars at the same time. When they are in Bluetooth mode, quickly click twice on any mini-soundbar's "▶||" button. Wait for the speakers to connect. Finally, connect your Bluetooth device.

FUNCTIONS

Charging

- Type-C charging cable
- When the mini-soundbar is charging, the red light will be on; the lights will be off when it's fully charged.
- Repeat charging and discharging will lead to a decline in battery life, which is a normal phenomenon for all possible rechargeable batteries.

Calling

Click the "▶ ||" button to answer or hang up the phone call; long press the "▶ ||" button to reject the phone call.

Notice

1. Use the product for its intended purpose only.
2. Please store and use this product at room temperature.
3. Do not expose this product to rain or wet conditions.
4. Do not drop the product to avoid damage.
5. Do not disassemble and repair the product by yourself.
6. The product's built-in lithium battery should not be casually discarded or put in the fire, so as not to cause danger!
