Form must be filled out in entirety to ensure successful delivery. Allow 2-3 weeks from the time the order is mailed for order processing and delivery to your door.

We rush-ship directly to your front door throughout the United States, except for customers in New Jersey, Washington D.C. & New York City. In these jurisdictions, the law requires muzzleloaders to be shipped to a licensed FFL firearms dealer, which we are happy to arrange for your convenience. As a disclaimer, please check your local ordinances and statutes to ensure compliance of all laws.
