Important Returns and Repairs New Policy Message

To provide enhanced repair and return service, we are now requiring that consumers contact our customer service team at: 800-243-9700 to obtain a Service Request Number (SRN) prior to shipping any product to the Company or Authorized Service Center. This will allow for improved tracking of returns and ensure all consumers benefit from a faster and more reliable process.

No return will be accepted without an SRN on the shipping label. Packages sent without the required SRN will not be accepted and marked Return to Sender.
