## COLOURFUL Twenty-One

It was in 1990 that Tayma Page Allies first presented Hong Kong with her one-of-a-kind creations made from rare coloured gemstones

That was 21 colourful years ago. She celebrates this special year with an even more fantastic kaleidoscope of pieces from her extraordinary collection displayed in her Prince's Building Showroom. Highlights include the iconic Cobweb Cuffs made with old mine tourmalines, moonstones and diamonds; and exquisite cocktail rings with aquamarines, blue sapphires, rubellites and neon blue Paraiba tourmaline. Each piece is personally designed by Tayma, infused with her international upbringing in the Caribbean, Africa and Europe.
