DIM SUM

Delicious bite-sized Chinese delicacies, Dim Sum literally means "little bits made from the heart." Anyone who has tasted them respects the chef's skill, care and patience. Each beautiful piece of Tayma jewellery is also made from the heart, with the same attention to detail, dedication and passion. We know how precious jewellery is.

At Tayma, every design is inspired by the gemstone. We've invested in rare gems from old mines, focusing on colour and quality, specialising in fine jewels and providing gemmological certificates. Our Connoisseur Collection is for the individual who seeks an art piece, a rarity of gem and design that is one of a kind.

And for weekends and holidays, the Cruise Line is fun, fashionable and wearable with amazing natural stones set in great statement pieces in silver and vermeil.

Choosing a gemstone is so personal, and for easy gift giving, we help dreams come true with our wish lists. Indulge in a special "dim sum".

Each Tayma design is handmade, and there is only one.
