

Jeni's

GIFT CONCIERGE

Have gifts to send?
We got you.

If you have a lot of gifts to send, Jeni's can help. Our corporate gifting program is a quick and unforgettable way to send our award-winning ice cream to clients, customers, co-workers, and anyone else you know. And with dairy, non-dairy, gluten-free, and vegan options, there's something for everyone.

Our corporate gifting program allows you to send 25 or more ice cream shipments. The order minimum is 4 pints per shipment, but after that it's up to you — our boxes are designed to neatly hold up to 6, 9, or 18 pints.

Placing your orders is simple. Once you've completed our order form and returned it to our team, we'll create a quote for your order and send it back for your approval. After you approve the quote and provide any outstanding information we need, our gift concierge team will get to work on coordinating your order. Please allow up to two weeks of processing time before your order ships.

Keep reading for full details on how to place your order. Questions? Feel free to reach out to us at gifts@jenis.com.
