

FALL FESTIVAL BASKETS - DUE OCTOBER 7TH

We will be having a raffle/silent auction for baskets during the Fall Festival on October 9th. **Our goal is to raise enough money for a shade structure for the playground. We need everyone's help to make this possible!!**

Each grade level/group is tasked with creating three baskets, each with a designated theme. Each group also has a PTA Board Member Helper who will be working on gathering donations from area businesses for the baskets. The Grade Level Room Parents will be coordinating with all the Room Parents for their group, as well as the Board Member Helper, to coordinate gathering the items. Also, "basket" is just a suggestion, get creative with your themes and let's see how fun we can make this fundraiser!
