## CUSTOM PUTTER PROGRAM FOR EVENTS

### CUSTOM PUTTER PACKAGE (STARTING AT \$175/PUTTER)

Putters pre-produced and available on-site to be given out at event. This is a great option if looking for affordable gift to have for instant gratification for your guests.

- Select putter model, face milling and finish. Includes logo laser engraved on face and custom text milled on sole (comes with stock Meridian headcover).
- Production lead time generally 4-6 weeks prior to event.

### CUSTOM PUTTER W/CUSTOM HEADCOVER (STARTING AT \$200/PUTTER)

Putters pre-produced and available on-site to be given out at event. This is a great option if looking to wow guests with an exclusive headcover featuring event or golf course branding. Additionally, we offer a custom landing page to promote tee gift prior to event.

- Select putter model, face milling and finish. Includes logo laser engraved on face and custom text milled on sole.
- Custom headcover made in the USA - Collaborate with us on a headcover design to wow your guests.
- Production lead time generally 4-6 weeks prior to event.

### MERIDIAN FITTING EXPERIENCE (STARTING AT \$250/PUTTER)

Meridian team members will be on site to provide a unique experience that allows your guests the opportunity to individualize their putter. Players will be able to choose the model, face milling, finish, sightlines, shaft length and grip. A custom landing page is included to send guests prior to the event to build excitement and learn more about the putters and options available.

- Each custom putter is made after the event and shipped directly to each guest within 2-3 weeks post event.
- Putters include logo laser engraved on face and custom text milled on sole. Includes complimentary stamping on back bumpers.
- Custom headcover made in the USA - Collaborate with us on a headcover design to wow your guests.

*\*\*Note: Pricing based on minimum order quantity of 60 putters.*
