

# WULFIE BEAST IN SHOW

## Draw a dog that might win you the SNOB award

The SNOB award is a major prize for dog breeders! Draw a dog who you think could win. You might want to think about how big or small it is, what type of fur it has, whether its ears are long and floppy or short and pointy, and what sort of special talents it has. It could be a dog with skills to make the world better, or a dog that an evil villain like Aunt Ilda might want.
