

PONTING

2021 'First Session' Adelaide Hills Sauvignon Blanc

Region

The Adelaide Hills is located in the Mount Lofty Ranges, east of Adelaide. One of the largest geographical wine regions in Australia its diversity in terms of altitude, climate and soil helps it produce its distinctive cool climate wines.

Vintage

2021 was an outstanding vintage in the Adelaide Hills. Consistent weather throughout the vintage allowed for ideal conditions throughout ripening and harvest. The 2021 vintage produced high yields with excellent flavour development and acid retention.

Wine

Fruit for the Adelaide Hills Sauvignon Blanc was machine harvested in the early hours of the morning, then crushed and drained through the press to retain the fresh, bright flavours. Clarified juice fermented with two aromatic yeast strains to enhance the Adelaide Hills Sauvignon Blanc varietal characters.

A fresh and floral Sauvignon Blanc with a zesty passionfruit and grapefruit nose, the mid palate is wonderfully textured with citrus pith and a long crisp finish. A perfect starter for a drink in the sun with friends. Pair with your favourite seafood dish.
