

# PONTING

## *2022 'First Session' Adelaide Hills Sauvignon Blanc*

---

### Region

The Adelaide Hills is located in the Mount Lofty Ranges, east of Adelaide. One of the largest geographical wine regions in Australia its diversity in terms of altitude, climate and soil helps it produce its distinctive cool climate wines.

### Vintage

A consistently cool growing season throughout the 2022 vintage, without any long stretches of significant heat, have been great for maintaining freshness and acidity in the fruit. Ideal conditions throughout ripening and harvest, yields remained high with excellent flavour development and acid retention.

### Wine

Fruit for the Adelaide Hills Sauvignon Blanc was machine harvested in the early hours of the morning, then crushed and drained through the press to retain the fresh, bright flavours. Clarified juice fermented with two aromatic yeast strains to enhance the Adelaide Hills Sauvignon Blanc varietal characters.

A fresh and floral Sauvignon Blanc with a zesty passionfruit and grapefruit nose, the mid palate is wonderfully textured with citrus pith and a long crisp finish. A perfect starter for a drink in the sun with friends. Pair with your favourite seafood dish.
