Using The Groove

Sharpen your bedroom prowess with The Groove! Crafted with a super soft and stretchable, lifelike material, this device is made to make your pleasure moments sizzle!

1. Open the storage egg case and take out The Groove
2. Hold The Groove in the palm of your hands and apply some water-based lubricant into the 'mouth' of the toy
3. Position the 'mouth' of the toy over the tip of your penis and stretch it down and up along your shaft for an exhilarating massage
4. Continue this movement and play around with different grip pressure and speed to enhance stimulation
5. Have fun and take control of your pleasure journey ☺.

Cleaning, Storage & Safety

The Groove will offer years of enjoyment with proper maintenance and care. Here are some tips to prolong the life span of your pleasure buddy:

1. Avoid using The Groove with hand creams and silicone-based lubricants it may harm the texture of the silicone.
2. Always clean your toy after every use, using soap and water, then allow to dry. Not to worry as The Groove is fully waterproof, making cleaning really simple.
3. Never use cleansers containing alcohol, petrol or acetone. And do not boil, bake, microwave, or clean The Groove in the dishwasher.
4. Store The Groove in your discreet storage egg casing to avoid the accumulation of dirt and harmful particles on The Groove's surface.
5. Avoid leaving The Groove in direct sunlight and never expose it to extreme heat or cold.
