# Getting Started

Congratulations on acquiring The Dolphin. Before getting more closely acquainted with it, please take a moment to look through this product guide.

## How to use: The Dolpin

- Before first use, charge The Dolpin for 1.5 hours. For more details on charging, refer to [Charging Guide](#).
- Once charged, hold the 'Power' button for 3 seconds to activate.
- Press the power button to adjust between 10 vibration modes.
- Press and hold the 'Power' button to turn off The Dolpin.

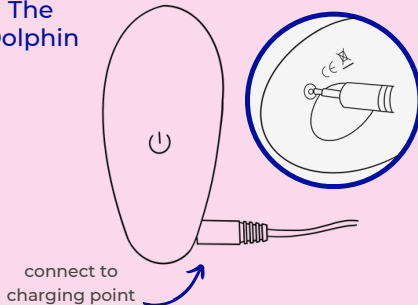

## How to use: Bluetooth Wireless Remote

- Press the 'Connect' button to activate/connect the remote to The Dolpin and switch between 10 vibration modes (be sure The Dolpin is turned on).
- Press the 'Pause' button to pause the vibrations (standby mode).

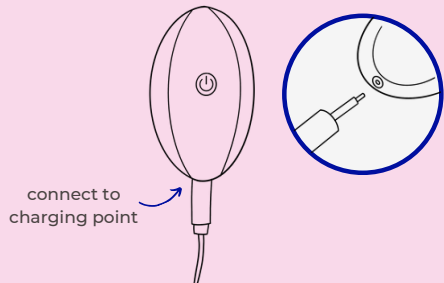

# Charging Guide

- Ensure that the charging port is dry before charging.
- Connect the DC plug to the DC port, found at the side of The Dolphin or the bottom of the Bluetooth Wireless Remote.
- Insert the USB port into any USB power adaptor.
- The LED light on the interface of The Dolphin or Bluetooth Wireless Remote will blink to indicate it is charging.
- When it is fully charged (after ~1.5 hours), the LED will emit a steady glow. Please disconnect charger once fully charged. Avoid charging The Dolphin or the Bluetooth Wireless Remote for a prolonged period of time.

# Using The Dolphin

Dive into pleasure with 'The Dolphin' a wearable delight designed for vulva-owners – perfect for couples or solo play! Crafted for comfort with its flexible material, take your intimate moments to a whole new level.

1. Hold The Dolphin in the palm of your hands and position it at your vulva

2. Start by gently touching yourself then locate your vagina opening
3. Slowly insert the “tail” of The Dolphin into your vagina and adjust till its “head” (with the power button) rests comfortably on your clitoris
4. Experiment with the 10 different vibration modes by pressing the power button of The Dolphin or the connect button of the remote

5. Go hands-free with the remote or pass it to your partner to add some fun inside or outside the bedroom.
6. The Dolphin can be played as both an internal and external stimulator. (You can even use it to explore other erogenous zones during foreplay)
7. Have fun and take control of your pleasure journey 😊.

*Hot tip: Use with a lubricant to double up the experience*

# Cleaning, Storage & Safety

The Dolphin will offer years of enjoyment with proper maintenance and care. Here are some tips to prolong the life span of your pleasure buddy:

1. Avoid using The Dolphin with hand creams and silicone-based lubricants it may harm the texture of the silicone.
2. Always clean your Dolphin after every use, using soap and water, then allow to dry. Not to worry as The Dolphin is fully waterproof, making cleaning really simple.
3. Never use cleansers containing alcohol, petrol or acetone. And do not boil, bake, microwave, or clean The Dolphin in the dishwasher.
4. Store The Dolphin in your discreet Genvie pouch to avoid the accumulation of dirt and harmful particles on The Dolphin's surface.
5. Avoid leaving The Dolphin in direct sunlight and never expose it to extreme heat or cold.

# Troubleshooting

## No LED light blink when charging?

- Battery may be fully charged.
- Battery may be drained and will take a few minutes to respond.
- Charger may not be properly connected. Check all charging connections:
  - (i) Ensure USB connection is properly plugged to the main power socket;
  - (ii) Ensure the charging plug is fully inserted into The Dolphin's DC port.

## Not activated when the “Power” button is pressed?

- Battery may be completely drained. Recharge The Dolphin.
- The Dolphin interface may be locked. Hold down the power button for at least 10 seconds.

If you experience any other problems with The Dolphin or if you have any questions regarding its operation, please contact us via [hello@wearegenvie.com](mailto:hello@wearegenvie.com).

# Warranty & Return

All products come with a 180-Day Limited Warranty and 14-Day Return when purchased directly from [www.wearegenvie.com](http://www.wearegenvie.com)

## 180-DAY WARRANTY

Genvie warrants this pleasure device for a period of 180 DAYS, from the date of original purchase, against defects due to faulty workmanship or materials. The warranty covers working parts that affect the function of the pleasure object. It does NOT cover any defects caused by fair wear and tear or damage caused by accident, misuse or neglect. Any attempt to open or take apart the pleasure object (or its accessories) will void the warranty. If you discover a defect and notify Genvie during the warranty period, Genvie will, at its discretion, replace the pleasure object free of charge. To submit a warranty claim on the product, please write into [hello@wearegenvie.com](mailto:hello@wearegenvie.com).

## 14-DAY RETURN

All products have undergone high standards of quality control in testing every single product before sale. Nonetheless, we accept all returns for a period of 14 DAYS, from the date of original purchase. To be eligible for the return, the product's hygiene seal must not be opened or tampered with and the product must be in its original packaging kit (including the pouch and kraft box).

For more details on the warranty & return process, please refer to our policy here: [www.wearegenvie.com/pages/warranty-and-return-policy](http://www.wearegenvie.com/pages/warranty-and-return-policy).
