

Portofino apecar

Transforming vintage Apecars in tailored mobile kitchens.

Portofino Apecar is an **exceptional vintage truck experience** that can be customized to any design. Whether you're a **food truck entrepreneur** or a catering enthusiast, *Portofino Apecar* adapts to your needs.

Our kitchen is fully compliant
with USPHS regulations

Portofino Apecar,
food experience
on four wheels.

- ✓ Compact, eye-catching design
- ✓ Central focus in any location
- ✓ Fully equipped kitchen

Choose what you want to serve:
pasta, ice cream or any other specialities,
we take care of the rest.

Logistics

We efficiently plan and coordinate the deployment of your Apecar

Installation

We expertly set up and assemble your Apecar and all kitchen equipment requested

Transportation

We safely and smoothly transport your finalized Apecar to any location

Every detail is crafted to your needs:

Stand out from the crowd and leave a lasting impression.
Customize the exterior with your logo, colors, and patterns.

Ready to bring your vision to life
with *Portofino Apecar*?

Contact us to **begin the customization
process** and explore pricing options.

Unlock the potential of your mobile culinary venture.
