# ASSEMBLY GUIDE

## Room Divider

In this box you will find:  
one out of three panels,  
each panel will arrive in there one box

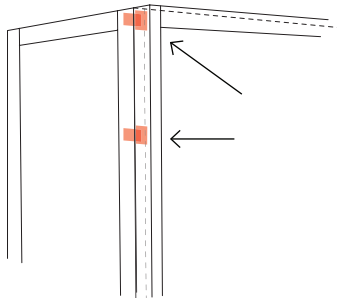

1. Start by placing the Panels next to each. The burn mark should be located in the bottom-left side.

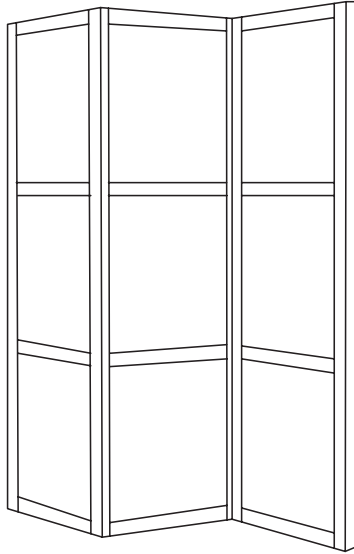

1.

2. You can choose and change the direction and placement of each panel easily by putting together and pulling apart magnetised panels

2.

3. View of a correct mounted room divider.

3.
