National Products Inc. Asbestos-free Declaration

The Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) actively enforce laws and regulations regarding the presence and use of asbestos-related substances in the manufacturing of products. These regulations include but are not limited to [59:40964-41162](#) and [TSCA §6](#), restricting *general industry use* of asbestos (29 CFR 1910.1001) and *construction industry standards* for asbestos (29 CFR 1926.1101) to limit exposure to workers, consumers, and the environment.

NPI products contain 0.0% by weight per article of substances added in Asbestos. In full compliance with existing regulations:

National Products Inc. does not manufacture any parts with asbestos-containing materials

Please contact NPI's Environmental Health and Safety Department (x142) with any additional questions.

Sincerely,

Johnathon Fitzpatrick
