Using Your Wall Charger

Plug it in and charge your phone, tablet, or other devices.

Note: The charging speed depends on the maximum output supported by your device and the charging cable.

Attentions

1. Use the original cable or certificated one (such as MFi) for the fastest and safest charge.
2. Do not expose the product to heat sources or liquids.
3. Only use a dry cloth or brush if you want to clean the product.
4. Do not disassemble the product.
