HomeTree Table Lamp

Say hello to your new favorite modern lighting and charging accessory. Modern minimalist doesn't have to mean boring and bland, so we created the HomeTree table lamp that acts as a speaker, charging station, and LED table lamp.

The **HomeTree Table Lamp** exhibits a thin, cherry wood shade, and brightness that can be smoothly adjusted via touch controls on the base. In addition, the base of the lamp also has an **integrated wireless charging** pad, so you can charge any phone wirelessly!

This stunning lamp even comes with a built-in neodymium Bluetooth speaker. Just pair your device to the lamp, and play your favorite music wirelessly. You can even use the touch controls on the lamp to skip songs and adjust the volume. Designed to create a clean, quiet ambiance, the energy-efficient built-in LED light casts a gentle glow of halo effect. The added speaker and wireless charger make this the ultimate nightstand product. A great addition to any room.

Product Features:

- **Design:** Modern designed with Linear shape, the table lamp reflects off the wall to light the space. The exquisite elements of quality life can enhance the style of your house, which is the beautiful and minimalist table decoration, easy to install, simple to operate.
- **Easy to install (1 minute):** The LED table lamp doesn't require any installations. The table lamp is NOT battery operated! The table lights will come with a plug and will need to be plugged in an outlet.
- **High-quality material:** High-transmission acrylic lampshade, uniform light transmission, durable, soft and delicate, and strong texture. The high-quality metal lamp body is firm, corrosion-resistant and has a long service life.
- **Smart & energy saving LED:** lamps can reduce the running cost of electricity by up to 90%.
