

OZARKÉ

INSTRUCTION MANUAL

OZARKÉ

Thank you for shopping with Ozarké, we really appreciate your business. Our goal is to provide an excellent customer service before, during and after delivery. We've included a guide on how to install this light, should you require additional assistance please feel free to email us at info@ozarke.com and one of our customer service reps will reach out to assist you.

WARNING!

1. Do not use the power supply beyond the specified range (100-240V,50Hz).
2. Avoid scratching the surface and wires of the lamp during installation.
3. Do not install the lamp outdoors.
4. The lamp should not be close to corrosive chemical objects or gases.
It should not be washed with water. It can only be wiped with a clean soft cloth.

OZARKÉ

Installation Instructions

Feature

- Full aluminum alloy material with high-quality painting finishing.
- Equipped with a high-capacity 1800mAh rechargeable lithium battery.
- Features high brightness, long life, and energy-saving LED light source.
- Touch sensor control switch with 3-level brightness.
- Includes a Type-C 5V USB charging cable, compatible with power adapters, computers, power banks, USB charger stations, etc.

Instructions

1. The lithium battery is not fully charged for safe transportation. Please charge it firstly before using. If it cannot charge after a long time of non-use, please charge it for 24 hours to activate the battery.
2. Connect the USB charging cable to the charging port at the lamp base for charging. The charging indicator will turn red. When the lamp is fully charged, the indicator will turn green.
3. Touch the lamp switch to turn on the lamp. The light will cycle through Low, Middle, High brightness, and Off.
