

OZARKÉ

INSTRUCTION MANUAL

OZARKÉ

Thank you for shopping with Ozarké, we really appreciate your business. Our goal is to provide an excellent customer service before, during and after delivery. We've included a guide on how to install this light, should you require additional assistance please feel free to email us at info@ozarke.com and one of our customer service reps will reach out to assist you.

WARNING!

1. Do not use the power supply beyond the specified range (100-240V,50Hz).
2. Avoid scratching the surface and wires of the lamp during installation.
3. Do not install the lamp outdoors.
4. The lamp should not be close to corrosive chemical objects or gases.
It should not be washed with water. It can only be wiped with a clean soft cloth.

App Control Instructions

Download the Tuya Smart App or Smart Life App

Scan to
Download Tuya
Smart App

Scan to
Download
Smart Life App

Scan the QR code to download the app. Compatible with iOS 7.0 or above for Apple devices, and Android 4.3 or above with Bluetooth 4.0 or above for Android devices.

After downloading the app, follow the instructions below:

| | |
|----------|--|
| 1 | Ensure that your mobile phone's Bluetooth is turned on and available. |
| 2 | Search for the Smart Life or Tuya Smart app on your app store or scan the QR code to download and install the app. |
| 3 | Register or log in to the TUYA account (follow the app instructions for guidance). |
| 4 | Turn on the light and check whether the light rapidly blinks. If it doesn't blink, switch the light on and off repeatedly (repeat 5 times) until the light rapidly blinks. If that doesn't work, unplug and plug the lamp (repeat 5 times) until the light rapidly blinks. |
| 5 | Open the app, tap the plus sign (+) in the upper right corner, or tap "Add Device." Wait for the app to search and connect to the light. |
| 6 | After a successful connection, tap the connected bulb light to enter the control interface. You can turn on and off the light, adjust brightness and light color. Additionally, scene mode and music rhythm options are available. |
