## Rusée Smart Table with Speaker & Wireless Charger

Modern minimalistic design is the ability to appreciate an art piece in its most basic and subtle form. Featuring the Rusée immersive and rich smart table with a Bluetooth speaker and wireless charger, this gorgeous smart table was crafted from 100% solid wooden legs, and finished with perfect color. The high-quality fabric speaker body allows a high-range 360° sound Bluetooth connection at an eye-catching and compact height.
