Environ ESSENTIAL TREATMENTS

60mins €90

Environ's pioneering dual electro-sonic technology sets the benchmark for professional skincare treatments. Low frequency sonophoresis together with pulsed iontophoresis in combination with Environ's professional skin care products, help deliver more of what skin needs where it needs it most - making a real lasting difference to your skin, for life.

ESSENTIAL YOUTH RESET

Helps soften the appearance of fine lines, sun-damage & sagging skin with our peptide and vitamin packed facial for a more youthful appearance.

ESSENTIAL MOISTURE BOOST

Helps reduce the appearance of fine lines caused by dehydration and increases the plumpness of the deeper layers of the skin. Hyaluronic Acid is the hero ingredient, promoting a moisturised, glowing-looking skin.

ESSENTIAL COMFORT CALM

Ideal for sensitive, irritated skin. A powerful combination of smart ingredients, leaving the skin feeling soothed with a healthy radiance.

ESSENTIAL RADIANCE REVEAL

A targeted solution for sun-damaged or pigmented skin. Boosting the skin with the correct combination of ingredients, results in flawless, radiant-looking skin.

Focus on filler | 30 mins €60

Environ's Focus On Filler Treatment, a technologically advanced new facial protocol featuring the Professional Dual Effect Filler Serum designed to help smooth the look of facial lines and restore a rejuvenated, plumped youthfulness to the skin's appearance. The 30 minute intense facial treatment is recommended as a not-invasive alternative or complementary treatment to dermal fillers.

Environ's unique Cool Peel® | 60 mins €100

This technology is a non-invasive, intelligent skin renewal system developed by Dr Des Fernandes, to safely and effectively help refine, revive and brighten skin. Experience a real, lasting difference to skin through beautiful science.

Australian Skin Active Products

Scientifically formulated to provide visible results for difficult skin concerns, including sun damaged, ageing and acne prone skin, the range draws on active ingredients, including AHA's, BHA's, vitamins A, B and C and a host of antioxidants to promote younger, fresher and healthier looking skin.

GYM for the SKIN - 30 minutes | €70

ASAP offers 6 Gym for the Skin workouts, by mixing asap peels and serums to make a leave-on mask, resulting in instantly soft and hydrated skin. The results gained from maximising a gym for skin workout are incredible, as your skin is undergoing a deep exfoliation, removal of surface toxins, balancing excess oils and boosting the skins immune system. This treatment includes a full consultation and your Gym for the Skin workout programme will be designed from six workouts.

ASAP PROFESSIONAL SKIN PEELS - 60 mins | €80

Please note - Special skincare is required to prepare your skin before you can avail of skin peeling facials. Peels can significantly improve the appearance of skin imperfections such as, fine lines and wrinkles, irregular texture, dull and sallow skin, hyperpigmentation, acne and mild scarring. A peel works by exfoliating and removing the outermost layer of skin. ASAP's range of peels provide gentle, non-invasive procedures for those seeking highly visible results and can be customised to provide the level of exfoliation required.

Lactic peel with Resveratrol | Renew and Refresh

Recommended for dry, mature and sensitive skin types in need of hydration.

Glycolic peel with Hyaluronic | Renew and Hydrate

Recommended for the treatment of fine lines and wrinkles for hydration and to assist in the formation of collagen and elastin. Also, highly effective for the treatment of mild photo-damage and acne.

Reveal Peel with AHA / BHA | Renew and Refine

Recommended for mild skin pigmentations, post inflammatory hyperpigmentation and UV damage. Improves skin texture and restores a fresh, smooth and more youthful looking skin.

ASAP 60 minute Facial €80 | ASAP 30 minute Facial €45

ADVANCED SKIN TREATMENTS

Skin Needling €160

Also known as micro needling or collagen induction therapy. This is a non-surgical procedure for many skin concerns:

Lines & wrinkles | Acne scarring | Sagging skin | Stretch marks | Open pores

This treatment involves a device to create controlled skin injury. The controlled injury triggers the body to produce new collagen and elastin in the skin therefore resulting in the reduction in lines, wrinkles, open pores and improved skin texture, tightening and hydration. A course of 4-6 treatments is advised for maximum results.

Collagen Stimulation Therapy (CST) | 3 treatments €600 | 6 treatments €900

Collagen stimulation therapy harness the body's natural powers of healing to smooth the skin and achieve incredible results. This cutting edge treatment is especially effective for addressing the visible signs of ageing, acne scarring, slackened skin, stretch marks and uneven skin tone. Using a sterile roller with 1mm needles to penetrate through the epidermis of the skin, stimulating growth factors to produce collagen and elastin. Environ clients only. Course of 3/6 is advised.

Ellipse IPL Skin Photo-Rejuvenation | €150 Per Treatment | Course of 4/6 advised

Candela Ellipse IPL uses short wavelengths and pulses to treat:

Pigmentation | Rosacea | Acne | Red veins | Aged Skin | Sun Damage

Back Facial €60

Our amazing back facial includes a process of cleansing, exfoliating, steaming the skin on the back, in addition to applying a mask. Our back facial also include an extraction process to clear out blocked pores and reduce the severity of any present back acne.

Teen Facial €60

This treatment is aimed for problematic teenage skin. Our experts will design a facial to help fight breakouts and congestion.

ENVIRON ADVANCED TCA PEEL

Environ's unique cool peel technology is a non-invasive intelligent skin renewal system to safely and effectively help refine, revive and brighten skin.

This treatment is customised to assist with reducing the appearance of premature ageing, as a moisture boost, deep cleansing, brighten complexion, for blemish control or to restore skins glow, uneven texture & tone.

The TCA Advanced Cool Peeling System uses TCA (Trichloroacetic acid) a chemical peel that can treat a wide range of skin problems such as, visible signs of ageing, photo damage, acne, rosacea & scarring.

A unique safe comfortable peel that comes without complications to trigger growth factor production.

It is recommended the TCA Cool Peels are done as a course of 6 peels (over a 6-11 week period) or 12 peels (over a 12-20 week period) and the client must have been using an Environ Vitamin A moisturiser for a minimum of 3 weeks prior to the start of the first peel.
