# COLOR ADDITIVES

Enhance color performance naturally with Pure Color Additives. Babassu Oil delivers Amaranth Protein into hair to repair damage, bond color, protect, and deliver beautiful shine. The Color Vita-Complex protects hair with long lasting free radical protection from the inside out.

## 1. TRINITY ONE SHOT

### REPAIR & PROTECT

- Add 1/4oz per 2oz of lightener
- Apply to damaged hair before and after color service
- Leave-in

## 2. TRINITY REPAIR TONIC

### COLOR ATTACHMENT & RETENTION

- Add 1/8th oz per 2oz of color
- Mist 20 – 30 sprays to dry or damp hair prior to applying color or lightener
- Leave-in

## 3. PURE COLOR THICKENER

### COLOR & LIGHTENER THICKENER

- Use with any color or lightener, will not affect processing time
- Add up to 1/4 of your total formulation
- Enhance grey coverage, shine and condition

## 4. BASSU HYDRATING OIL

### SEAL & PROTECT COLOR

- Add 1/8oz per 1oz lightener to soothe scalp
- Add 1/8oz per 2oz color for enhanced grey coverage
- Rinse color, apply root to ends and leave-in
