

Odyssey *driving imagination* **my first RC car**
For Your Junior Driver!

SETTING UP THE RC CAR AND REMOTE

1. Locate the battery compartment on the base of your RC Car.
2. Using a phillips screwdriver remove the screw securing the cover and open.
3. Install 3xAA batteries into the battery compartment taking care to match the correct polarity (+/-).
4. Replace the battery holder, install the cover and replace the screw.

1. Locate the battery compartment on the base of the remote.
2. Using a phillips screwdriver remove the screw securing the cover and open.
3. Install 2xAA batteries into the battery compartment taking care to match the correct polarity (+/-).
4. Replace the battery holder, install the cover and replace the screw.

CHANGING THE CAR CHARACTERS AND DRIVING

Your RC car comes with 3 different characters, choose between the Bee Car, Train and Boat.

Simply change the character top over the motorized base.

To drive the car turn the car on using the switch below.

Then press the forward button to move the car forward and backward button to move the car backwards.

When finished with the car turn the car off.
