# Struts Headboard (20" & 26")

## Assembly and Safety Instructions

MADE IN THE UK

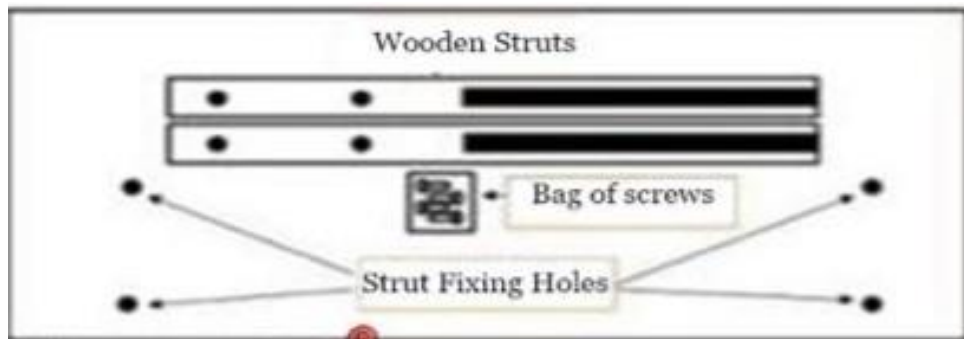

**THANK YOU FOR PURCHASING OUR HEADBOARD,  
PLEASE FOLLOW THESE SIMPLE ASSEMBLY  
INSTRUCTION. FOR SAFETY REASONS, WE RECOMMEND  
THAT TWO PEOPLE CARRY OR MOVE THESE GOODS.**

#### Safety Advice

- Remove all polythene and protective packaging and dispose of carefully to avoid injury to children.
- Children should be made aware that this not a toy and be supervise at all times when in the same room.
- Take care when assembling the base.

#### Step by step

1) Remove headboard from box and polythene cover

2) Align strut fixing holes over headboard fixing holes. Insert screws provided tighten first by hand than by screwdriver

3) Locate two holes on the end of the bed. Fix assembled headboard to the bed with screw provided by your bed supplier
