ABOUT US

Your Global Source for Replacement Excavator Parts

CMP Technology Co., Limited located in Shenzhen City, Guangdong Province, China. Since our inception in 2009, we have offered an extraordinary commitment to customer satisfaction which has enabled us to become a leader within the marketplace we serve.

With many years endeavor and experience, our products are selling well in many Countries of America, Europe, Southeast Asia, Middle East, and Australia. And we have established long - term stable and good business relationships with many wholesalers around the world.

SINOCMP proudly serves the new, used excavator parts. We specialize in all the major makes and models of excavator parts, such as KOMATSU, HITACHI, KOBELCO, HYUNDAI, VOLVO, SUMITOMO as well as other world renowned excavator brands.

Some of the high-quality replacement parts we supply are monitor, controller, throttle motor, solenoid, valves, sensors, seal kits, fuel injectors, wire harness, water pump, excavator diagnostic tool and plenty more.
