Series A Desk System

Designed for Flexibility

Our Series A Desk System assembles and scales without tools, making it the ideal choice for growing offices.

Engineered with our patented Clever Lever™ technology, this modular system can be easily rearranged to accommodate a variety of workspace styles and floorplans.

Series A Desk tops are available in White, Natural Oak, and Walnut.

Seamless Power Integration

Easily adapt the Series A Desk System with our integrated power solutions, so power and data are always at hand and out of sight.

Series L Adjustable Height Desk System

Take a Stand

Designed for ideal ergonomic work, our Series L Adjustable Height Desks allows you the flexibility to transition from sitting to standing in seconds.

The extended range of motion supports multiple uses and features four memory buttons to program your preferred heights (great for anyone up to 6'6").

Series L Desk tops are available for quick ship in White, Natural Oak, and Walnut. Additional special order colors are available.

- 1 Series L Adjustable Height Double Desk
- 2 Frost White Privacy Panel

- 3 Series L Adjustable Height Single Desk
- 4 Boom Power Rail + Pinnable Fabric Privacy Panel

We Have Your Back

Get all the ergonomic benefits of an adjustable sit-stand desk—without any tools required to assemble (it takes just 2 minutes). An intuitive lever moves it up and down for individuals up to 6'6". You can reconfigure or move your desk with the ultimate ease.

Available for quick ship in White, Natural Oak, and Walnut.

- 1 Pinnable Fabric Privacy and Modesty Surround
- 2 Boom Power Rail for Raise Desks
- 3 Raise Adjustable Height Desk
- 4 Raise Cable Hideaway

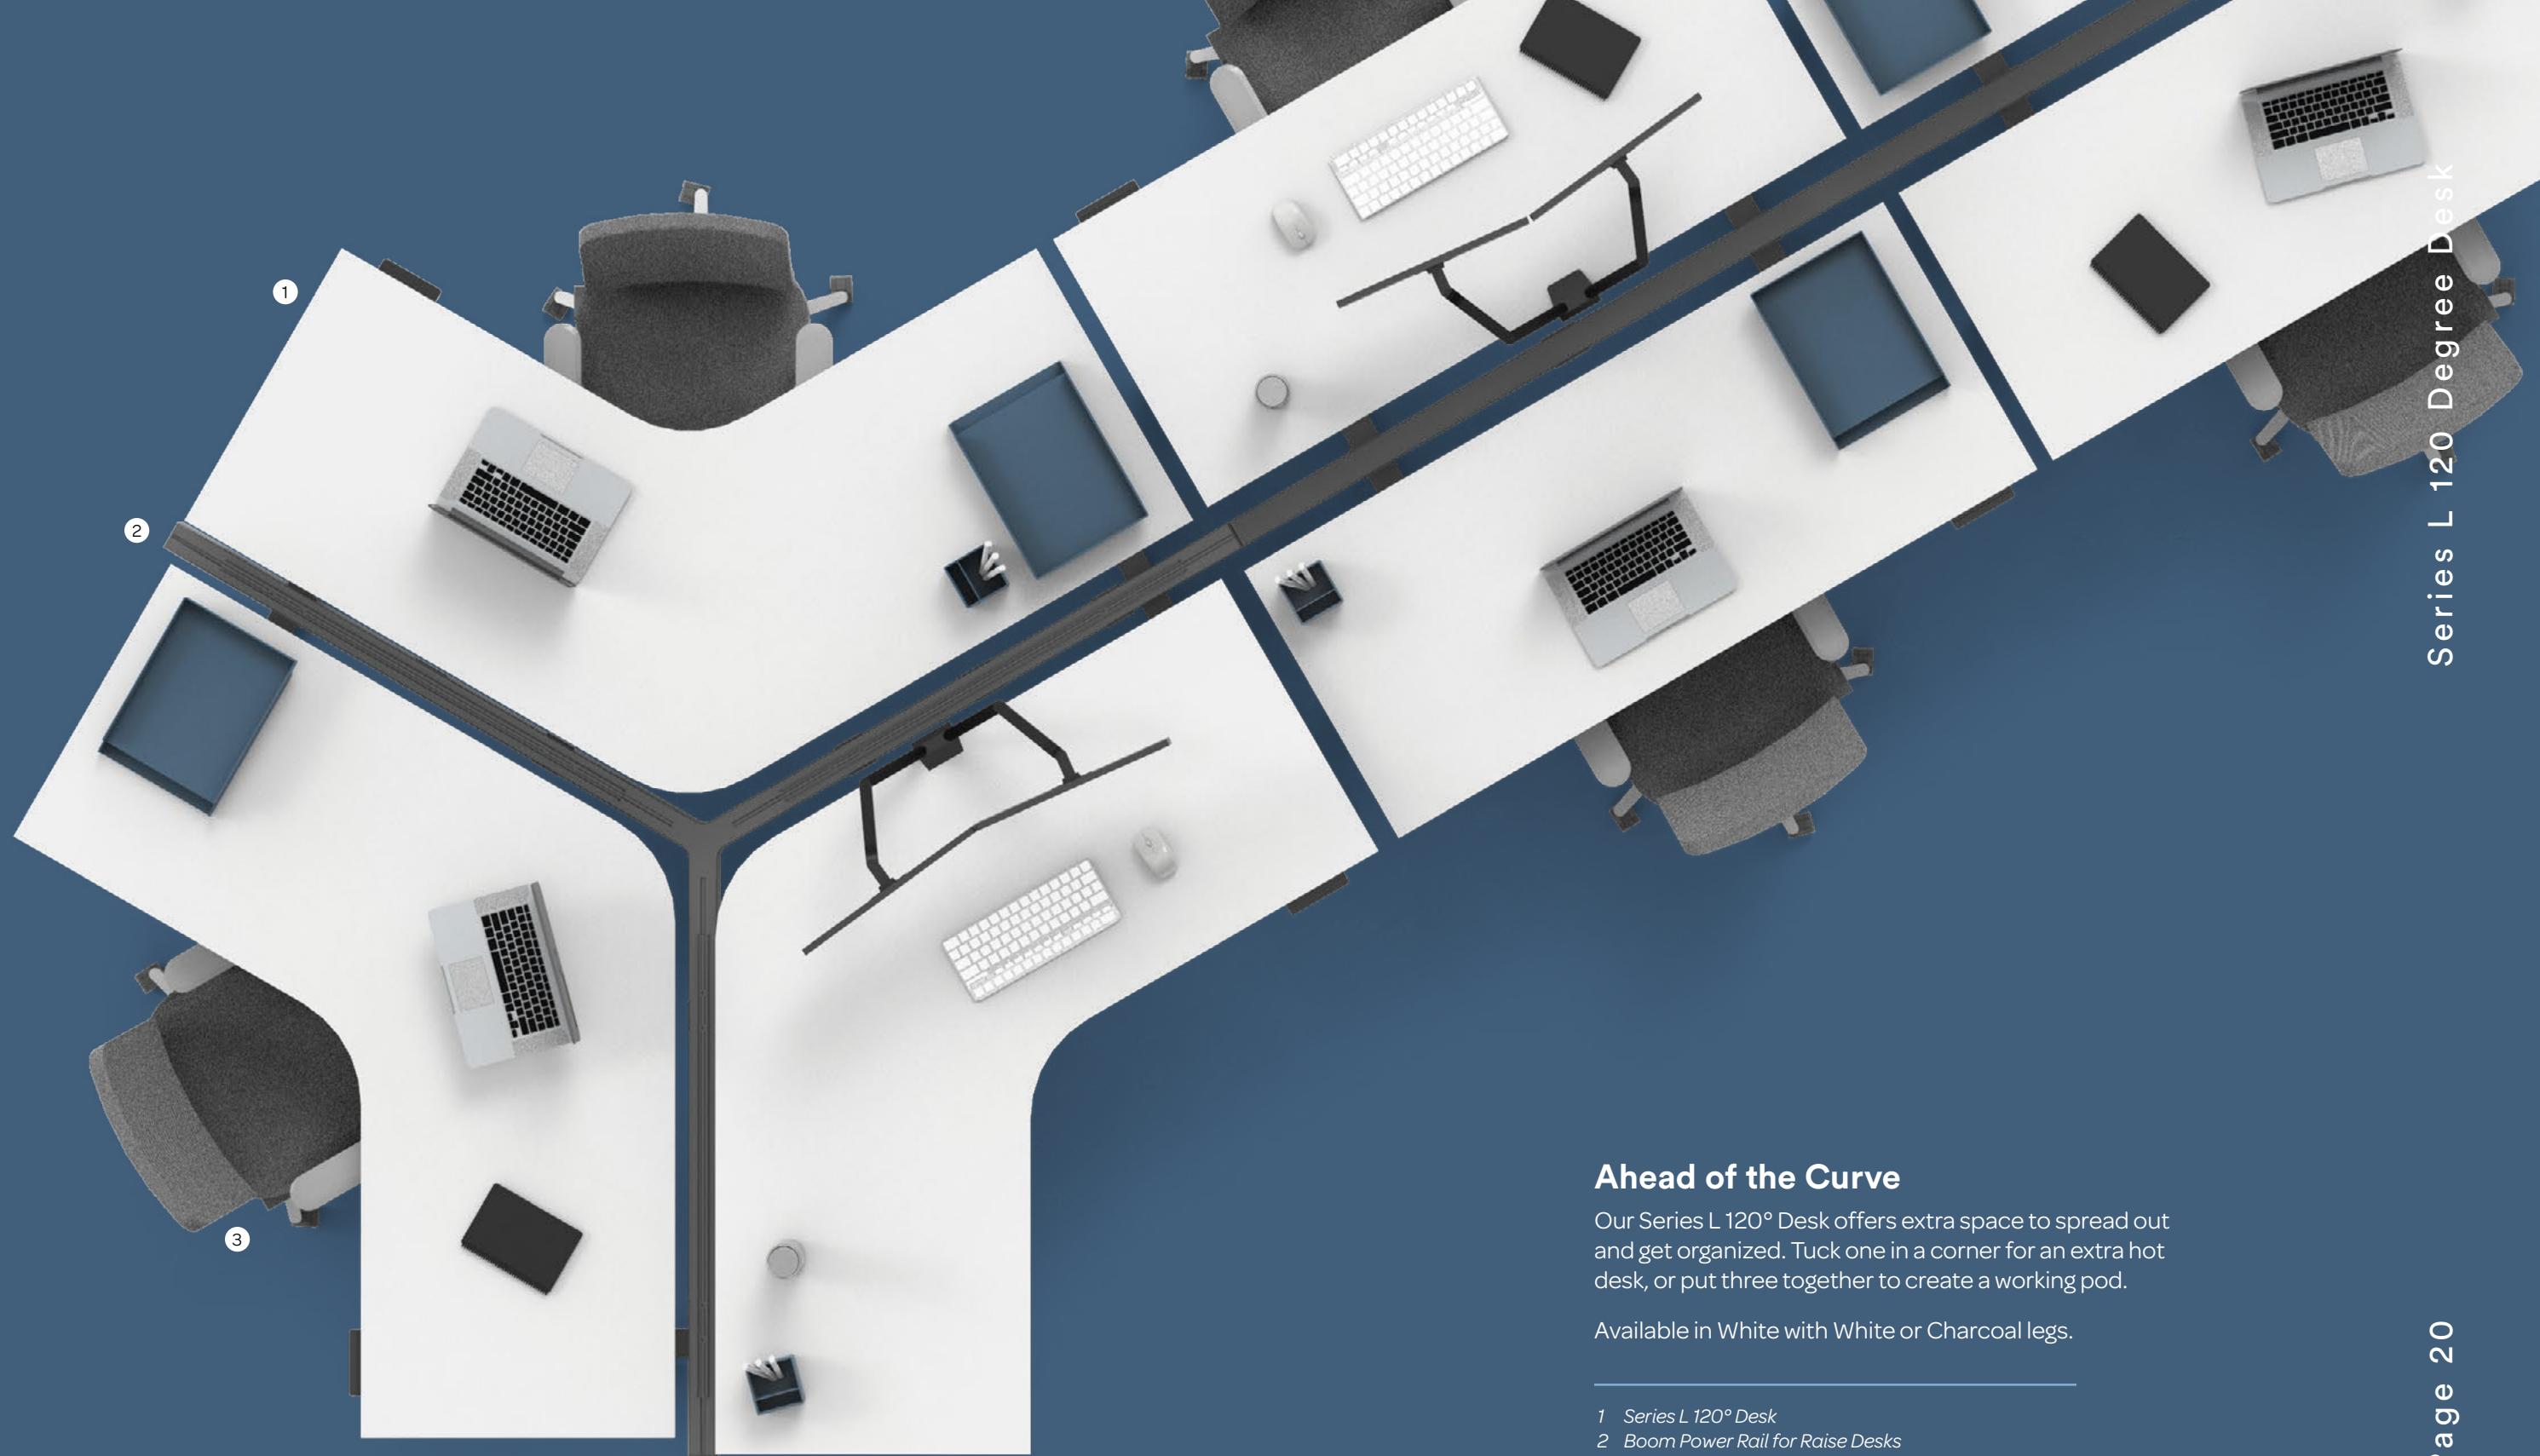

Corner Desks

Available in Series A and Series L

Ideal for executive offices, the addition of a right or left hand return gives you extra room for desktop storage, multiple monitors, or simply more space to spread out.

Ahead of the Curve

Our Series L 120° Desk offers extra space to spread out and get organized. Tuck one in a corner for an extra hot desk, or put three together to create a working pod.

Available in White with White or Charcoal legs.

- 1 Series L 120° Desk
- 2 Boom Power Rail for Raise Desks
- 3 Raise Adjustable Height Desk

Empower Your Team

Our Boom Power Rail is a smart, flexible power solution for your workspace; the freestanding design brings power to the center of your space. Compatible with both Series A and Series L Single Desks, pair the Boom with Privacy Panels to offer your employees some peace and quiet in the open office.

- 1 Goal Dry Erase Board
- 2 Boom Privacy Panel

Confer and Conquer

Our signature Series A Ping-Pong Conference Table beats the competition on price, design, and innovation.

It transforms in seconds from a conference table for 12 to a ping-pong table with integrated storage for electronic accessories and the included Stiga paddles, ping-pong balls, and net.

-
- 1 Series A Ping-Pong Conference Table
 - 2 Max Task Chair

Engineered for Adaptability

Elevate pitches and presentations with our versatile Series A Table System – available in mix and match shades and a variety of sizes, from 72” to 144”, to fit every conference room in your office.

Power at Your Fingertips

Our Flip-Up Power Outlet sits flush with the tabletop to maximize space. It’s available in a variety of power and data configurations.

Bring Style to the Table

With rounded arms, clean lines, and leather-feel seats, the Meredith Meeting Chair is a modern, sophisticated take on conference seating.

- 1 Series A Conference Table
- 2 Meredith Meeting Chair

Series A Scale Table

Available in both Racetrack and Rectangular, our modular Series A Scale Conference Table works as a communal table for your entire team or in a traditional conference setting. With 3 power points, 2 USB points, and 1 customizable port, your team can have power at their fingertips.

Cleo Credenza

Maximize Space

In Natural Ash and painted White, our Cleo Credenza brings the texture and dimension of wood to a sleek and simple storage solution. It can be used in a conference room as a media stand, or at the end of a benched row of Series A Double Desks.

Series A Standing Tables + Key Stools

Form Meets Function

Available in a variety of sizes, our Series A Table System offers a destination for productivity, creativity, and valuable time spent away-from-desk.

Pair with our Key Stools for a space that's simple, streamlined, and promotes a healthy work environment.

- 1 Key Stool
- 2 Series A Standing Conference Table

Touchpoint Table + Chairs

Meet Up

Our Touchpoint Meeting Table is the ideal seating solution for small conference rooms, break room areas, or collaboration spaces. A variety of tabletop and base color options allow you to design a table that's totally tailored to your space.

Pair it with our Key Chairs, designed with a durable seat and a stackable steel frame that allows you to easily accommodate your seating needs.
