

PREMIUM GENERATOR SERIES INDUSTRIAL GENERATOR

SCGH8500

SIMPSON's Industrial generators are perfect for providing power at work sites, recreational facilities, residential location, and more. Many are equipped with a foldable handle for ease of mobility and storage. Their heavy-duty roll cage frames provide durability and protection for the generator. Whether tailgating before a game, charging tools at a construction site or providing backup power for your home, rely on SIMPSON® for your power needs.
