I. STANDARD BUSINESS TERMS

§ 1 Basic provisions

(1) The following business terms are applicable to all the contracts, which you conclude with us as a supplier (ROOM IN A BOX GmbH & Co. KG) via the eu.roominabox.com website. Unless otherwise agreed upon, the inclusion, if necessary, of your own conditions is ruled out.

(2) A ‘consumer’ in the sense of the following regulations is every natural person who concludes a legal transaction which, to an overwhelming extent, cannot be attributed to either his commercial or independent professional activities. The term ‘businessman’ refers to every natural person, legal person or legally responsible partnership that concludes a legal transaction in pursuance of his/its independent professional or commercial activity.

§ 2 Conclusion of the contract

(1) The subject-matter of the contract is the selling of products.

(2) As soon as you place the respective product on our website, we shall submit to you a binding offer to conclude a contract via the online shopping cart system under the conditions specified in the item description.

(3) The purchase agreement takes place via the online shopping cart system as follows:

The products intended for purchase are moved to the "shopping cart". You can select the shopping cart using the appropriate buttons on the navigation bar and make changes there at any time. After accessing the "Checkout" page and entering your personal data as well as the payment and shipping conditions, you are finally shown the order data again as an order overview. If you use an instant payment system (e.g. PayPal/PayPal Express, Amazon Payments, instant transfer) as your
payment method, you will either be taken to the order overview page in our online shop or forwarded to the website of the provider of the instant payment system. If you are forwarded to the relevant instant payment system, choose and/or enter your data as appropriate. Finally, on the website of the provider of the instant payment system or, after you have been directed back to our online shop, the order data will be displayed as an order overview.

Before submitting the order, you have the option once more to review or change (you may also use the "Back" button on your web browser) any information on the order summary page, or to cancel the purchase. By clicking the "purchase" button to submit the order, you declare acceptance of the order in a legally binding way by which the purchase agreement takes place.

(4) You are not bound by your enquiries regarding the creation of an offer that have been conveyed to us. We supply you with a textual and binding offer (e.g. via e-mail), which you can accept within a period of 5 days.

(5) The execution of the order and the sending of all the details necessitated by the conclusion of the contract take place via e-mail, in a partially-automated manner. Consequently, you have to ensure that the e-mail address that you have deposited with us is the correct one, and that the receipt of the respective e-mails is guaranteed. In particular, you have to ensure that the respective e-mails are not blocked by a SPAM filter.

§ 3 Special agreements related to the offered payment methods

(1) Payment options from Klarna

In cooperation with Klarna Bank AB (publ), Sveavägen 46, 111 34 Stockholm, Sweden, we offer the following payment options. Payment is always made to Klarna:

- **On account**: The payment term is 30 days from the date of dispatch of the goods. For full conditions of on account purchases for countries where this payment method is available, please visit [klarna.com](http://klarna.com).

- **Payment in instalments**: Klarna’s financing service allows you to pay for your purchase in fixed or flexible monthly instalments according to the conditions indicated in the checkout section. The instalments are due at the end of each month after Klarna has sent you a monthly invoice. For more information on paying in instalments, including the General Terms and Conditions and Standard European Consumer Credit Information for countries where this payment method is available, please visit [klarna.com](http://klarna.com).
- **Instant bank transfer**: Available in Germany and Austria. Your account will be debited immediately after placing the order.

- **Direct debit**: The direct debit is made after the goods have been shipped. You will be informed by e-mail when the money is taken from your account.

The use of the on account and/or in instalments and/or direct debit payment methods requires a positive credit check. In this respect, we will forward your data to Klarna for the purpose of address and creditworthiness checks before we can accept the purchase and issue the purchase agreement. Please understand that we can only offer you those payment methods that are permitted based on the results of the credit check.

You can find further information and Klarna's terms of use here. General information about Klarna can be found here. Klarna will treat your personal data in accordance with the applicable data protection regulations and in accordance with the information in Klarna's Privacy Policy.

### § 4 Right of retention, reservation of proprietary rights

(1) You can only exercise a right of retention if the situation in question involves claims arising from the same contractual relationship.

(2) The goods remain our property until the purchase price is paid in full.

(3) If you are a businessman, the following conditions also apply:

a) We retain ownership of the goods until all the claims arising from the ongoing business relationship have been settled in full. The goods subject to retention of title may not be pledged or transferred by way of security before ownership of the said goods changes hands.

b) You can re-sell the goods within the framework of an orderly transaction. In this regard, you hereby cede all the claims amounting to the magnitude of the billing amount that accrue to you as a result of the re-selling operation to us, and we
accept the cession. Furthermore, you are authorised to collect the claim in question. However, insofar as you do not discharge your payment obligations in an orderly fashion, we reserve the right to collect the claim ourselves.

c) In a situation involving the combination and amalgamation of the goods subject to retention of title, we acquire co-ownership of the newly-formed item. This co-ownership corresponds to the ratio that exists between the invoice value of the goods subject to retention of title and the other processed items at the time of processing.

d) If you make a request of this nature, we shall be obligated to release the securities that are due to us, to the extent that the realisable value of our securities exceeds the claim to be secured by more than 10%. We are responsible for selecting the securities to be released.

§ 5 Warranty

(1) The statutory warranty rights are applicable.

(2) As a consumer, you are requested to promptly check the product for completeness, visible defects and transport damage as soon as it is delivered, and promptly disclose your complaints to us and the shipping company in writing. Even if you do not comply with this request, it shall have no effect on your legal warranty claims.

(3) If a characteristic of the goods deviates from the objective requirements, the deviation shall only be deemed to be agreed if you were informed of the same by us before submitting the contractual declaration and the deviation was expressly and separately agreed between the contracting parties.

(4) Insofar as you are an entrepreneur, the following shall apply in deviation from the above warranty provisions:

a) Only our own specifications and the manufacturer's product description shall be deemed agreed as the quality of the goods, but not other advertising, public promotions and statements by the manufacturer.
b) In the event of defects, we shall, at our discretion, provide warranty by rectification of the defect or subsequent delivery. If the rectification of defects fails, you may, at your option, demand a reduction in price or withdraw from the contract. The rectification of defects shall be deemed to have failed after a second unsuccessful attempt, unless the nature of the goods or the defect or other circumstances indicate otherwise. In the event of rectification of defects, we shall not be obliged to bear the increased costs arising from the transport of the goods to a place other than the place of performance, unless such transport is in accordance with the intended use of the goods.

c) The warranty period shall be one year from delivery of the goods. The shortening of the period shall not apply

- for culpable damage attributable to us arising from injury to life, limb or health and for other damage caused intentionally or by gross negligence;
- insofar as we have fraudulently concealed the defect or have assumed a guarantee for the quality of the item;
- in the case of items which have been used for a building in accordance with their customary use and have caused its defectiveness;
- in the case of statutory rights of recourse that you may assert against us in connection with rights arising from defects.

§ 6 Choice of law, place of fulfillment

(1) German law shall apply. This choice of law only applies to customers if it does not result in the revocation of the protection guaranteed by the mandatory provisions of the law of the country in which the respective customer’s usual place of residence is located (benefit-of-the-doubt principle).

(2) If you are not a consumer, but a businessman, a legal entity under public law or an institutional fund governed by public law, our place of business is the place of jurisdiction as well as the place of fulfilment for all services that follow from the business relationships that exist with us. The same condition applies to situations in which you are not associated with a general place of jurisdiction in Germany or the EU, as well as situations in which the place of residence or the usual place of residence is not known at the time of commencement of proceedings. This has no bearing on the capacity to call upon the court associated with another place of jurisdiction.
The provisions of the UN Convention on Contracts for the International Sale of Goods are explicitly inapplicable.
