

EMEET OfficeCore M0

Ideal for personal use - USB speakerphone

Overview

EMEET M0 is a portable USB speaker microphone that features 4 AI-powered microphones and full-duplex tech.

Key Features

Easy to Carry

With the dimension of 3.1 x 3.1 x 1.6 inches, the M0 portable USB speaker microphone is easy to carry everywhere.

Plug and Play

Connect computer or laptop through a USB cable, instant teleconference. And if you don't want to output the sound, the M0 also has an aux jack for the extension of headphones.

4 Smart Microphones Equipped

Built-in 4 high-performance microphones provide 360° voice pickup and suppress background noise. No need to close to the speakerphone or raise your voice during conversation.

Full-Duplex Communication

Full duplex audio support produces natural, rich sounds, making the conversation as smooth as in person..

All-in-One Control Panel with LED Indicator

The visual LED indicator can be used to adjust the volume of meetings and calls, connect, mute, and cut off.
