

SECTION ONE: IDENTIFICATION

Product Name	Soothing Cream
Product Code(s)	WASC1; WASC1-1; LSBSC250; LR21518/0500; LR21540/1000; LR12513/0250
Supplier details	Elemi Pty Ltd, trading as Lycon Cosmetics 53 Bancroft Road, Queensland 4008, Australia Phone: +61 7 3004 6200 Email: info@lycon.com.au
SDS Revision #	02
Date of Issue	4 th December 2018
Intended Use	Body and face moisturiser
Restriction on Use	This product has been formulated for external cosmetic use. The information herein should be interpreted for personal and professional salon use.

*This product has been formulated for external cosmetic use.
The information herein should be interpreted for personal and professional salon use*

SECTION TWO: HAZARDS IDENTIFICATION

Not Hazardous according to the criteria of the GHS.

Not classified as Dangerous Goods according to the criteria of ADG/IMDG/IATA for transport by Road, Rail, Sea and Air.

- Emergency Overview: Retail quantities of this product are not anticipated to promote emergency circumstances when used as directed on the label.
- Potential Health Effects: The constituents of this product are internationally recognised as suitable for inclusion in cosmetic products. No potential adverse health effects are anticipated when used in conjunction with the directions contained on the label.

SECTION THREE: COMPOSITION/INGREDIENTS

Aqua (Water), Butyrospermum Parkii (Shea Butter), Ricinus Communis (Castor) Seed Oil, Propanediol, Glyceryl Stearate, Glycerin, PEG-100 Stearate, Sucrose Polysoyate, Cetearyl Alcohol, Dimethicone, Chamomilla Recutita (Matricaria) Flower Extract, Tocopheryl Acetate (Vitamin E Acetate), Allantoin, Bisabolol, Polyacrylamide, Parfum (Fragrance), Benzyl Benzoate, Geraniol, C13-14 Isoparaffin, Laureth-7, PPG-26-Buteth-26, PEG-40 Hydrogenated Castor Oil, Disodium EDTA, Piroctone Olamine, Citric Acid, TBHQ, Phenoxyethanol, Red 4 (CI 14700).

SECTION FOUR: FIRST AID MEASURES

Inhalation

Inhalation is unlikely to occur.

Skin

If irritation does occur, wash thoroughly with soap and warm water.

Eye

Hold eyes open under running water for 10 to 15 mins. Seek medical advice if irritation continues or symptoms are not relieved.

Ingestion

Not expected to be hazardous. Give a drink of water. If discomfort occurs seek medical advice

SECTION FIVE: FIRE FIGHTING MEASURES

Not expected to be flammable or combustible.
Packaging could be expected to contribute fumes to large fires.

SECTION SIX: ACCIDENTAL RELEASE MEASURES

Waste Disposal Method: Dispose as solid waste as permitted by local, state and federal authorities.
Steps to be taken in case material is released or spilled: Absorb the liquid and scrub area with water

SECTION SEVEN: HANDLING AND STORAGE

For external use only. Maintain the integrity of the original packaging.

Minimum Temp	Maximum Temp	Light Sensitivity	Do not store with
5 Degrees C	30 Degrees C	Store out of direct sunlight	No incompatibilities

SECTION EIGHT: EXPOSURE CONTROLS/PERSONAL PROTECTION

No specific exposure controls are anticipated.

SECTION NINE: PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Opaque, pink, thick, creamy emulsion
Odour	Berries, creamy
Physical State	Cream / Thick Lotion
Boiling Point (°C)	Appx 100°C (not established)
pH	5.0 – 6.0
Relative Density (g/mL)	0.95 – 1.00

SECTION TEN: STABILITY AND REACTIVITY

Conditions to Avoid:	Maintain integrity of packaging
Materials to Avoid:	Not Established
Shelf Life:	5 years
Shelf Life after opening:	18 months

SECTION ELEVEN: TOXICOLOGICAL INFORMATION

This product has been formulated for use as a topical cosmetic product. Use of this product as directed on the label is not expected to result in toxic effects.

SECTION TWELVE: ECOLOGICAL INFORMATION

Ingredients used in this product are not known to be direct ecological pollutants. In order to minimise long term global pollution consideration should be given to:

- Reduction in consumption of disposable products and packaging.
- Participation in recycling activities

SECTION THIRTEEN: DISPOSAL CONSIDERATIONS

This product has been manufactured for consumer use. Product is normally rinsed to drains as routine personal hygiene practice. The packaging can be disposed as standard household waste, although sorting and appropriate recycling of packaging materials is encouraged.

SECTION FOURTEEN: TRANSPORT INFORMATION

Road and Rail Transport: Not DG according to ADG

Air Transport: Not DG according to IATA

Sea Transport: Not DG according to IMDG

SECTION FIFTEEN: REGULATORY INFORMATION

This Product is manufactured in Australia, under Australian Law. The following federal regulatory bodies are the source of reference information.

GHS	Globally Harmonised System of Classification and Labelling of Chemicals (GHS) (www.unece.org/trans/danger/publi/ghs)

SECTION SIXTEEN: OTHER INFORMATION

Disclaimer

This SDS has been prepared according to Work Safe guidelines and with reference to the best available information at the time of preparation. Since we are unable to control and/or anticipate all conditions under which the product may be used, each user must review this SDS and assess it in the context of their circumstances in order to determine the most appropriate usage and handling procedures for their situation. If clarification or further information is needed to ensure that an appropriate assessment can be made, then the user should contact the manufacturer.

Allergies

There is always a possibility of an individual being allergic to one or several ingredients within a product. A low irritant claim does not infer that susceptible individuals will not react adversely. Allergies are very much a personal condition and do not in any way indicate a fault with the formula or substances involved. Natural substances particularly are vulnerable to seasonal and other variations that may contribute to unanticipated reactions. Unfortunately, often the only remedy in these situations is to ascertain the exact cause of the reaction (typically with professional medical help) and then to avoid all future exposure.

Animal Products

Suitable for vegetarians
