

1. IDENTIFICATION OF THE MATERIAL AND SUPPLIER				
1.1. Product (material) name:		Pure Olive Oil Strip Wax		
1.2. Other names:		Hydrocarbon Resin Based Professional Hair Removal Wax		
1.3. Recommended use:		Removal of unwanted body hair		
		Caronlab Australia Pty Ltd		
1.4. Supplier: 1.5. Address:		•		
		148-150 Victoria St, North Geelong, Victoria, 3215, Australia		
1.6. Phone:		(03) 5227 4999		
1.7. Fax:		(03) 5227 4950		
1.8. Email:		info@caronlab.com.au		
1.9. Emergency Contacts:		Poisons Information Centre (Australia) 13 11 26		
	2. HAZAR	DS IDENTIFICATION		
2.1. Hazard classification:		Non-hazardous according to NOHSC criteria.		
2.2. Risk phrase(s):		Not applicable		
2.3. Safety phrase(s)		Not applicable		
	3. I	NGREDIENTS		
Ingredient s:	CAS number:	Concentration:		
Colophonium	94581-16-5	>60%		
Cera Alba	8006-40-4	<10%		
Olea Europaea Oil	8001-25-0	10-<30%		
Paraffin	8002-74-2	<10%		
Parfum	N/A	<1%

C1 47 000		T AID MEASURES		
4.1 Description of necessary first aid me		I AID WEASONES		
4.1. Description of necessary first aid me	asures	Discourse, the cut with water De wat attended to induce we within		
Ingestion:		Rinse mouth out with water. Do not attempt to induce vomiting		
		unless directed to do so by a physician. Never give anything by		
		mouth to an unconscious person. If large quantities are		
		swallowed, seek medical advice immediately.		
Eye:		Flush with water for 15 minutes including under eyelids. If		
		person is wearing contact lenses, remove them prior to flushing.		
		Seek medical advice if discomfort persists.		
Skin:		May cause temporary local redness after application.		
		Discontinue use if irritation occurs, seek medical attention if		
		discomfort persists. If directions for use not followed correctly		
		and applied too hot this may cause burns in which case flush		
		with or immerse in cold water. Seek medical attention for burns.		
Inhalation:		If respiratory symptoms develop whilst using molten material		
		remove patient from area of exposure into fresh air. If		
		symptoms persist, seek medical advice.		
4.2. Medical Attention And Special Treat	ment	7 1 1 1 1 1 1 1 1 1		
First Aid Facilities:		A source of clean water should be available in the work area for		
instria i demacs.		flushing eyes and skin.		
Notes to physician		Treat symptomatically		
Notes to physician	E FIDE FI			
E 1 Flammable programics	J. FIKE FI	GHTING MEASURES I		
5.1. Flammable properties		Durch surfeel cook on disorble for		
5.2. Suitable extinguishing media:		Dry chemical, carbon dioxide, foam or water may be used. Do		
		not use straight streams of water on burning material as it may		
		cause spattering and spread the fire. Sand / earth can be used		
		on small fires.		
5.3. Hazards from combustion products:		During a fire irritating and toxic gases maybe produced by		
		combustion or thermal decomposition. Wear a breathing		
		apparatus		
5.4. Protective equipment for firefighter	s:	Move exposed containers from fire areas if possible. Firefighters		
		should wear full protective clothing including self contained		
		breathing apparatus.		
6. ACCIDENTAL RELEASE MEASURES				
6.1. Personal precautions		None known		
6.2. Environmental precautions		Do not discharge into lakes, streams, ponds or public waters.		
6.2. Environmental precautions		Advise authorities if the product has penetrated drains, sewers		
6.2 Mothods for containment		and water pipes.		
6.3. Methods for containment		Not applicable		

Date issued: 14/09/2017

Scrape up.	6.4. Methods for cleaning	Remains in a semi mobile liquid form under normal conditions,	
7.1. Handling Avoid contact with eyes. Observe precautions found on label. Wash face and hands theroughly with soap and water after use and before eating. 7.2. Storage Store containers upright and closed. Keep out of reach of children. Store in a cool, dry preferably below 30°C 8. EXPOSURE CONTROLS/PERSONAL PROTECTION 8.1. National exposure standards None allocated S.2. Biological limit values None allocated S.3. Engineering controls General ventilation normally adequate Gloves may be used to minimise contact. 9.1.
