CLIMATE CHANGE

BEFORE READING	1. Watch the video: Climate Change – The Environment for Kids 2. Then watch the video: Earthrise by Amanda Gorman	
DURING READING	Read the article "Climate tipping points are difficult to predict. In Canada and beyond, they might have already arrived" from CBC News .	Read the article "How to Act on Climate Change: A User's Guide" from earthday.org .
AFTER READING	Answer the article comprehension questions. Complete 1 of the 2 journal topics: 1. Hashem Akbari says that to help prevent huge forest fires, people should be sure not to drop cigarette butts or broken glass out of car windows. In your opinion, should people who continue to do these things be held accountable for their actions? Explain. 2. One of the top causes of climate change is deforestation, or the removal of trees from forests. What are some ways you can use less paper in your every day life? Explain.
